# AL-KO ENDURO X™

## CARAVAN SUSPENSION REDEFINED

AL-KO is proud to introduce its new suspension system for caravans. ENDURO X is designed to ensure next-generation performance and handling in unpredictable, off-road conditions.

It's the kind of breakthrough you'd expect from a market leader – exclusive new technology, lightweight construction for improved handling, premium AL-KO shock absorbers with upgraded metal casing, and a premium Black eCoat to ensure rust and chip resistance.

1. Automotive inspired optimised construction strength  
Automotive grade premium black eCoat finish.  
Lower unsprung weight improves performance.
2. AL-KO dual in-line shocks
3. Forged bolt-on stub.  
Drum or Disc brake options
4. Tow & Camber adjustment
